**We need your help with Fall Activities....**  
 Fall Festival is going to focus on being family oriented this year. If we want to engage the entire family, we are going to have to go about things a little differently. Since our community does not have a big event like a Fall Festival, Heritage Day, etc. (to my knowledge), our Fall Festival will be just that.

For example, we would recruit individuals, families, ministries and Sunday school classes to volunteer to do a booth. For example, we could do a booth with several different types of chili, or candy apples, or Mexican corn. You could showcase your booth to your ministry or just have a booth to engage families. There are also several homemade carnival booths, that would be great for the entire family to do. I have several you can choose from.

We would have people solely designated to fellowship and connect with our families that attend. This would be an amazing time of fellowship for our church as well as a way of connecting and sharing the love of Christ with our Rainbow City community. Mark your calendars and start planning your booth for Fall Festival, **October 27**. See Laura for more details!

### Kidz Central needs your help...

We are in the process of raising money to purchase a much needed storage container. A storage container will allow the children's department to save money on repeat items/props for VBS, Christmas Play, Fall Festival, etc. **This savings can be used for other outreach programs for the children.** We are asking for your help to raise money for this project. When donating, please write Kidz Central/Storage in the memo portion of your check or on your envelope. Thanks for your support!

East Gadsden News

For the past 5 or 6 years we have been going monthly to East Gadsden to provide a meal for their DASH program. I want to take this opportunity to thank everyone who has supported this ministry. I want to extend a special thank you to Lexie and the Food Pantry for always providing whatever she could for the meals including meat, fruit, vegetables, bread and sometimes special treats. Also, a special thanks to the people who have faithfully gone with me to serve. I could not have done it without all of you. This ministry could not have been a success without everyone working together. There has never been a time when I have requested a need that has not been met. My church family is amazing and generous. Through involvement in this ministry I have seen God at work and I truly have experienced "the Lord providing". I have been so blessed by being a part of the East Gadsden Dash ministry. All of this being said, East Gadsden is taking a break from DASH. I am not sure how long the break will be. They will be in touch when they decide to resume. Please be in prayer for this ministry as they move forward in deciding their next step.

Thank you so much, Diane Harwell
