

Christ Central Church,

How do we at Christ Central Church, get back to serving God and each other while continuing to grow his Kingdom within His will?

We can serve God and grow his Kingdom if we nurture each other as a Family within Christ Central Church. So how do we serve God to Grow his Kingdom?

Starting November 3, Wednesday night we will have worship and study back in our Church. We will have dinner as a Church Family starting at 6:00. During this time we will recognize those that have Birthdays or Anniversaries. We will also recognize those that have accomplished something during that week, big or small. Something that is small to someone else may be an overwhelming accomplishment to you and we want to recognize that accomplishment. We will move to study starting at 6:30. Dr. David Asbury will be leading a class on 1st Corinthians. Leslie Colegrove will be leading a class based on the movie "It's a Wonderful Life". The schedule for November and December will look as follows:

The Youth will meet as normal with Mitchell. The children of Kidz Central will be provided a class at 6:30 starting with Tonya Reid leading and rotating through other members. Our nursery will be available starting Amy Maroney and Jennifer Douthit rotating through other members. We will need volunteers to fill these roles each Wednesday evening.

We intend to Reboot and add other classes in January such as Matt Ford leading a class on the Book of Revelation. We also intend on rebooting and adding more in April.

November is a starting point and we are intentionally scheduling the reboots to make sure we do not lose our momentum as we continue to move into a spiritually healthy future here at Christ Central Church.

Now more than ever we need our Church Family to be just that. A Family within the Church to accomplish the task that God has set before us "Advancing a Christ-Centered community through loving relationships to fulfill the Great Commission. We must first love each other if we want to love others outside our Church. We look forward to seeing everyone on November 3.

Between now and then, PRAY. Pray for forgiveness, forgiving, and the Love of God to fill HIS Church. Pray that we may possess open hearts and eyes so we may see where God wants Christ Central Church to serve.

Thank you,

Christ Central Church
